SUMMARY

A Full Stack Web Developer skilled in building and maintaining web applications using the MERN stack (MongoDB, Express.js, React, Node.js). Experienced in JavaScript, HTML/CSS, and Python, with experience in MySQL and MongoDB. Familiar with developing APIs, version control using Git.

EXPERIENCE

website Developer

Everlink Digital Technologies

June 2023 - August 2023, Addis Abeba, Ethiopia

- At Everlink Tech, I embarked on developing a comprehensive learning management system (LMS) using the MERN stack (MongoDB, Express.js, React, Node.js). The project started as an idea to facilitate online course creation, student enrollment, and progress tracking, aiming to provide a robust platform for educators and learners.

website developer

oli system

July 2022 - August 2022, Addis abeba, Ethiopia
